LEGEND

Schools have been listed within their respective counties. In each county all schools under the jurisdiction of the County Superintendent and Township Trustees have been listed first. Following the dividing symbol (marked * * *) are listed in alphabetical order all school systems including City, Town, Joint, and Consolidated Corporations. Each Parochial, Private, or Special School appears with the township or city in which it is located and follows immediately the public schools of that school corporation.

Many of these schools have not been inspected by the State Department of Public Instruction, and so in these cases, no commission rating can be listed.)
